The Bean Box, Barista

Swiss Bliss celebrates World Chocolate Day!

Kaipara Coast Plant Centre Tree Pruning Workshop

The Bean Box, barista

Introducing... The Bean Box, barista. Returning from the Arabian Gulf in July of 2017 having spent over half my adult life living out of a suitcase in the Airline industry, I decided to return home and establish a business of my own. The concept of The Bean Box was conceived mid-2019.

Over the next year with limited carpentry/fabrication skills a good dose of 'blood sweat and tears' I created a space I am exceptionally proud of The Bean Box came to fruition. My vision was complete. On December the 16th, 2020 I was 'up and running'.
Opening a new business in such uncertain times I was admittedly anxious. However, I have received wonderful support from the Dairy Flat, Wainui, Waitoki and Coatesville communities. Welcomed with open arms, I quickly established myself as a 'staple' amongst local business, residents and commuters.
The Bean Box proudly serves Atomic coffee, a New Zealand institution and 'purveyors' of great taste. Of course, the perfect accompaniment to a great coffee is great fresh food. Delicious homestyle wraps, scones breakfast rolls and English muffins. Food made 'with love' delivered daily from Baker & Son Ltd.

So, whether you are 'on the run' or time rich, come in and refuel with a coffee, hot chocolate, cold drink and

something to eat. You will always feel welcome at The Bean Box.
Come and check us out at 27 Kahikatea Flat Road, Dairy Flat, next to Neville Brothers, opposite to Falloons Stockfoods Ltd.
Open Monday to Friday 5:45am to 2pm and Saturdays 7:30am through to 1pm. Closed on Sundays and Public Holidays

Introducing ... The Eco-Shop at the Whangaparaoa Community Recycling Centre.

Biochar for Winter Soil Improvement... A new and promising soil amendment called Biochar is being sold in bulk at the Whangaparaoa Community Recycling Centre Eco-shop. Gardeners will love this great addition to improve clay soil. What is biochar? Biochar is a fine charcoal made from pure, untreated NZ sawdust. It provides the same benefits as adding compost - absorbing water, nutrients and loosening clay soil to make it more friable but, unlike compost, it doesn't decompose. Because of this, it is a permanent soil improver and carbon sink.

Biochar must be inoculated by soaking in brews such as seaweed, fish, or manure tea before adding it to the soil. Beside biochar, the Eco-Shop sells biochar-bokashi composting kits and offers free Compost Collective workshops. Details are on the Whangaparaoa Community Recycling Centre Facebook/ Instagram pages or email hibiscuscoastzerowaste@gmail.com
The Eco-Shop is at the Whangaparaoa Community Recycling Centre, 637 Whangaparaoa Rd, Stanmore Bay. It is open Thurs, Fri and Sat 10-2 and was made possible with a grant from Auckland Council.

KAIPARA COAST PLANT CENTRE

Fruit Tree Pruning & Care Workshops
Saturday 24th AND 31st July
9.30am to 11.30am

If you want to make the most of your fruit trees or maybe you're thinking of planting some new ones then this is a good time of year to do this.

This very popular pruning & care workshop will give you all the basics to assist in your success.
David Bayly, our in house tree care expert, will be once again running this very popular workshop in his usual relaxed and interactive style.

Topics to be discussed will include:

Tools required
Pros & cons of various trees
Site selection and preparation
Planting methodologies/techniques
General tree care
Safety considerations

This event has proven to be so popular that we will be running it on two consecutive Saturdays this year rather than our usual single monthly workshop. Booking is therefore definitely recommended as spaces on each are limited.
Afterwards you will also be able to stroll around the beautiful and recently extended 3.5Km nature trail which has over 40 marvellous new sculptures created for our 2021 exhibition by local and international artists on display.

*(*The trail is unfortunately not suitable for wheelchairs or walking frames.)*

We also have our cute little coffee shop on site plus of course the Plant Centre for you to browse through.

Our knowledgeable and friendly staff will also be on hand to help with any other garden related questions.

Venue location: 1481 Kaipara Coast Highway (SH16), 4km north of Kaukapakapa
Tickets: $20 per person.

KAUKAPAKAPA HISTORIC LIBRARY

BOOKS, BOOKS, BOOKS
SUNDAY 18th JULY, 9am to 1pm

Meet book dealer and keen collector Graeme Bailey at the historic Kaukapakapa Library. Twenty years of experience trading in books has given Graeme a keen eye for a diverse inventory, specialising in New Zealand titles as well as a tempting array of other subjects - Art, Architecture, New Zealand History and more.
Come along and find a treasure from Graeme's selection or talk to him about that elusive book that you're hoping to find.

Kaukapakapa Library open in conjunction with the Kaukapakapa Village Market.

SALTED MISO BROWNIES

Makes 16 Brownies

Ingredients:
5 tbsp Milled chia seeds
150g Coconut oil, flavourless
250g Dark Chocolate (70%), broken into small pieces
350g Light brown muscovado sugar
120g Plain flour
3 tbsp White miso
¾ tsp Flaky sea salt

Method:
Preheat the oven to 180C fan and line a 20cm cake tin with greaseproof paper. In a small bowl, mix the milled chia seeds with 270ml of water and set aside.

Place the coconut oil and broken chocolate in a medium-sized saucepan and set over a low heat. Stir occasionally until melted, then take off the heat. Mix in the sugar, flour and miso, and crumble in the salt flakes. Finally, add the bloomed chia seeds and mix. Pour into the lined tin and gently shake to distribute the mixture.
Place on the middle shelf of the oven for 45 minutes, then remove.

The brownies might be wobbly in the middle, but they will soon settle down and become deliciously fudgey. Leave to cool completely, then cut into 16 squares.
