The Wainui & Waitoki Watch gets a NEW LOOK!

The Wainui & Waitoki Watch (WWW) has been in publication since May 2016. Our goal and aim has always been to provide a quality colour monthly newsletter which supports our local small businesses, our rural schools and community events. We are a non-profit publication of locally based mums and grandparents with enthusiasm and passion for our rural and lifestyle communities. We even had poll on Facebook for you to submit what we should call the publication and a local Waitoki mum came up with the fantastic name!
We have decided to re-refresh and change the look of the publication and bring in some new ideas to benefit everyone. We love covering your stories and sharing ideas of improving our community spirit and connections. We enjoy rolling up our sleeves and rallying around to support our local schools with fund raising events and sponsorship. We look to you to keep us informed of upcoming events or if you are launching a new business or product. We are now putting the publication online just in case you are out of our catchment areas for the rural delivery posties, we will put a link every month on the local community Facebook pages which you can download and save.
We are now increasing our reach to include our Dairy Flat kinsfolk as many have expressed they would like to be included and also want to support local businesses. We are launching a classified column where you can advertise your business for a very low cost and are guaranteed a monthly reach of 2000 homes. Should you prefer more substantial advertising we can offer a range of sizes which will help give your business more exposure.
We are reaching out to you to support the Waitoki & Wainui Watch publication by helping us to be well informed of the services, goods and events you are offering. We would also like to hear your stories, recent or historic, so do not hesitate to take a few mins to share. Please contact our editor Charlotte Hopwood on her email: contact.the.newsletter.editor@gmail.com

In summary our intention is to provide local information that supports events and new initiatives in our area, we are excited about the refresh – we hope you will be too!

Thank you for your support.

THE LIFE AND TIMES OF WYN JORDAN
KAUKAPAKAPA LIBRARY
Sunday 16th MAY. 9am to 1pm

In 1920, the Taylor family emigrated to New Zealand from Bradford, Yorkshire, to farming life in Kaukapakapa. Wyn, aged 15, had to quickly learn to cope with primitive domestic conditions - doing the washing in a copper beside the creek, using oil lamps and learning to milk cows. Marrying Owen Jordan when she was 24, life shifted to what was then the remote Kukutango, Jordan's Island. Seven children and fifteen years later, the Jordan's bought 'Eden Vale' and enjoyed being back in the community.
An interest in local history prompted Wyn to become a foundation member of the Helensville and District Historical Society. In 1960, when Kaukapakapa celebrated its Centennial, Wyn was asked to take charge of historical records for the official history.
From this, she went on to compile the story of many organisations and pioneer families and also wrote about the Jordan and Taylor families. For more than 20 years she was local correspondent for the Rodney Courier and sometimes wrote articles for the NZ Herald. An avid collector of local information, Wyn compiled scrapbooks of local organisations, events and items of interest. With grateful thanks to the Jordan family, the Kaukapakapa library invites you to view the collection and step back into an earlier time. Kaukapakapa library open in conjunction with the Kaukapakapa Village Market. For more info contact Megan 021959017, email threehorses@xtra.co.nz

SILVERDALE PIONEER VILLAGE
Family Day and Easter egg Hunt

On Easter Sunday the 4th April a very successful Family Day and Easter Bunny Hunt was held at the Silverdale Pioneer Village.
Fine weather brought out the crowds and over 100 children took part in the Easter Bunny Hunt to earn Easter Egg prizes supplied by the Warehouse Silverdale.
The Village forge was in operation and we had a wool spinning demonstration by Lisa Clapperton as well as demonstrations of other Pioneer Era activities by volunteers from the Silverdale & District Historical Society.
Children enjoying indoor and outdoor games from yesteryear while their parents explored the Pioneer Village gardens and exhibitions before having Devonshire Teas in the old Parsonage.

The Silverdale Pioneer Village is one of the districts best kept secrets, open every Saturday and Sunday and a free attraction. Group visits can be booked for any day of the week.

With Mother's Day approaching, it's a good idea to give the woolly mothers in your life some thought. If you have ewes expecting lambs this spring, there are a few things you need to consider. Here's a checklist for what you should be thinking about:
- Feeding the ewes: It is really important to get this part right. Ewes that are too fat are more at risk of ketosis or fatty liver disease. Ewes that are too thin have a greater risk of difficult birth, or poorly grown lambs. Aim to keep your ewes at a body condition score of 3/5. Have us come out and assess the body condition of your ewes and pasture growth on your property so we can recommend appropriate nutrition for pregnancy.
- Vaccination: Your ewes need to receive their booster vaccination for clostridial diseases 2–6 weeks prior to lambing. This will protect both the mother and baby from common clostridial diseases like tetanus. Call us to book this in.
- Trace Elements: Pregnancy means a higher demand for trace elements as the foetus needs these to grow. Selenium and Iodine are particularly important for newborn lambs and are often deficient in the soils in NZ. We can test for deficiency with a simple blood test in your ewes.
- Parasites: Ewes can struggle with the stresses of lambing and lactation. It's a good idea to get faecal samples from your ewes and have them tested for parasites, so you can decide if they need to be drenched.

There can be a lot to think about in the days leading up to lambing, but if you look after your ewes through pregnancy, lambing will be far less stressful on the ewe and you! Give us a call on 027 838 5433, or head over to our website thelifestylevet.co.nz to get in touch and get on top of lambing this year.

PEST CONTROL WORKSHOP
SUNDAY 23RD MAY 9.30am to 11.30am

New Zealand is an ideal natural environment for many kinds of pests to thrive and consequently wreak havoc with local or indigenous animal and plant life.
If you're having problems keeping pests under control, would like to do your bit towards pest eradication or simply like to know more about the interesting topic; then this is an ideal workshop for you.

Our presenter for the event is Cam Rathe, owner of Rural Pest Control. Cam is a local expert in this field with nearly 18 years' experience gained across the region within many areas including clearing pests from some of DOCs most sensitive locations. Topics to be discussed will include:
- Various types of pests (animal and vegetable)
- Problems caused by various pests
- Eradication/control techniques

These relaxed and interactive events are very popular so booking is recommended, though not essential, as spaces are limited (see below for booking details). *Please note that this event which was originally scheduled for last year but had to be cancelled due to Covid restrictions had attracted a high number of bookings.*
Afterwards you will also be able to stroll around the beautiful 1.2Km nature trail which has over 40 marvellous sculptures created for our 2021 exhibition by local and international artists on display. *
We also have our cute little coffee shop on site plus of course the Plant Centre for you to browse through.
Our knowledgeable and friendly staff will also be on hand to help with any garden related questions.

WAITOKI SCHOOL

One of our biggest and most popular fundraising events each year is our annual Ladies High Tea, which is a great way to celebrate the special women in our lives for Mother's Day.
Organised by some of our wonderful parents and sponsored by Looie James and Tracey Howe of Harcourts, everyone who attends gets dressed up for an afternoon of beautiful food, wine, gifts, stalls, silent auctions, prizes, and great company.
Because the event is so popular, our tickets for this year's High Tea on the 8th May have already sold out which is great!
We know that some people will be disappointed that they missed out, so please head to the Waitoki School Events Page on Facebook where we post about any upcoming fundraising events and keep your eye out for anything you may be interested in attending.
And to all the women in our community - have a wonderful Mother's Day!
